FOR IMMEDIATE RELEASE

NEW TRIPLE-X COMPETITION WINCH FROM RAMSEY WINCH

(Tulsa, Oklahoma) Ramsey is pleased to introduce **Triple-X**, the ultimate rockcrawling competition winch! The new **Triple-X** meets the 6,000 lbs. minimum rated winch requirement for most organized sanctioned rockcrawling events. The **Triple-X** has an impressive 45 feet per minute line speed at no load.

With an overall dimension of 17.1" long by 6.13" wide and 8.01" high, the **Triple-X** is around the same size as a loaf of bread and does not take up any valuable space on your competition vehicle.

The **Triple-X** will not weigh you down; it only weighs an impressive 54 lbs. including the unit, hook and fairlead. To cut off the pounds, the **Triple-X** comes with 35 feet of 3/8" synthetic rope with an oversized 1/2" clevis hook and a lightweight aluminum hawse fairlead.
